

Optimize Advanced Practitioner Staffing with Qualivis

Our experienced agency partners engage a robust pipeline of advanced practitioners including:

- Certified Registered Nurse Anesthetist
- Certified Anesthesia Assistant
- Physician Assistant
- Nurse Practitioner
- Certified Nurse Midwife

Healthcare facilities rely on advanced practice professionals to increase patient flow. With Qualivis, we partner with more than 40 vetted agencies for locum tenens, including advanced practice providers, to optimize fulfillment for your unique facility.

Qualivis implements the following tools and strategies to optimize cost and fulfillment for your advanced practice staffing needs:

Transparent fee structure

We deliver competitive rates for fair market pricing with no administrative, daily, seasonal or additional fees to reduce cost and locum expenditures.

Partner Network

In addition to our pre-vetted vendors, clients can request preferred suppliers to join our Partner Network. We deliver an exceptional partner experience, including 29-day guaranteed payment, that fosters loyalty and a high level of engagement for our clients' open positions.

One point of contact

Your dedicated account manager collaborates with you and our partners to find the best provider(s) for your facility. This single point of contact streamlines communication between our internal logistics team to ensure your staffing needs are met.

Quality review team

Candidates undergo a thorough vetting process by account management and review teams under the guidance of our in-house Chief Medical Officer.

Put advanced practitioners to work for you with Qualivis' strategic approach.
